Issue Date: 2-Nov-2023

Lisa Easler: Processing and Handling Certification
Manager

Quality Certification Services, a USDA National Organic Program, has determined, based on a review of the above named entity's application and records, and inspection of its fields, facilities and processes, that the above named entity meets or exceeds the appropriate and applicable standards of organic production, handling, and processing. In displaying this certificate, the Certified Entity warrants that it is in, and will remain in, full compliance with the organic standards set by the USDA National Organic Program. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked.
